SUPERVISION AGREEMENT

Reference nº 32/26

The present document states an agreement between the manufacturer KRONOSPAN-MOFA HUNGARY KFT. (Budapesti Országút 72, H-7700 Mohács, Hungary) and AIDIMME (Metal-Processing, Furniture, Wood and Packaging Technology Institute) for the supervision of the production of Fiberboard MDF/HDF E-LE in the nominal thickness range of 2 mm to 8 mm, with formaldehyde value (emission) according to the IKEA specification IOS MAT 0181 version AA-2183046-6 and in compliance according to Annex XVII to Regulation (EC) No 1907/2006, Entry 77.

The production supervision consists in a minimum of 2 supervision audits per year with collection of samples for testing.

- Supervision audit includes the inspection of the internal quality control system and the production quality control laboratory of the manufacturer:
  - organizational structure of the quality control department
  - sampling procedures and method of handling samples
  - frequency of quality control testing
  - record keeping requirements
  - laboratory facilities and equipment, including equipment calibration
  - accuracy of the emission (formaldehyde) test procedures
  - experience and training of quality control personnel
  - formaldehyde values from internal control, including moving average and statistical data
  - raw material and process control
  - selection and testing of panel according to EN 717-1

After each supervision audit, a test report according to EN 717-1 and an audit report will be issued. The audit report will conclude that the production/material is in compliance with formaldehyde value (emission) according to the IKEA specification IOS MAT 0181 version AA-2183046-6 and in compliance according to Annex XVII to Regulation (EC) No 1907/2006, Entry 77.

The manufacturer should inform AIDIMME of any change in the type of resin, any increase in the formaldehyde/urea mole ratio of the resin or any decrease in the designated press time by more than 20 %. In that case additional testing may be required by AIDIMME.

This supervision agreement is valid as long as IOS MAT 0181 version AA-2183046-6 remains in force.

Signed on 13th May 2026
